Our party was absolutely blown away by the magnificence of our Harrad & Bloom experience. Our stay was truly exceptional, and we loved the luxurious surroundings we found ourselves in. From fine dining with our private chef, impeccable service by our hosts - and discovering the magical Cotswolds - where time stands still. The attention to the tiny details and the high quality of finish everywhere has to be seen to be believed. The real highlight was watching the sunset across that memorable Cotswold landscape from the warmth of the hot tub!

We were so excited to visit the Cotswolds and we were not disappointed! Imagine having an English house among the lush rolling hills of the Cotswolds. Meals tailor-made by your personal chef. A friendly and attentive staff, and a driver to whisk you to guided outings in stone-walled villages. Champagne and polo at the famed Cirencester Polo Club. Croquet on the lawn. Walks through the countryside. We couldn't have felt more at home as we settled in to enjoy our afternoon tea or pre-dinner libation, or shared the kitchen with the chef during preparation of lunch or dinner. " Home, but better, with Harrad & Bloom.

The excitement and enchantment of a week long holiday in the English countryside began the moment we were greeted in London and started our drive into The Cotswolds. As our van arrived at the front entrance of the rental, we knew our experience would exceed our expectations. The staff members immediately felt like our new best friends and the arrival liberation and canapés were sensational. Harrad and Bloom exceed every expectation with fabulous dining with gorgeous presentation, daily itineraries that were imaginative, entertaining and educational throughout spectacular views of the beautiful English countryside; and engagement with a staff that builds a lifetime friendship.

This is a travel experience not to be missed. We will return to another adventure soon
